This new REPORTFOLIO is available with 2, 4, or 6 clear vinyl pocket-pages (full 11 x 8½" insert size) welded into the standard #187 REPORTFOLIO.

Pages are welded on three sides and entry to each page is at the inside binding edge. Exhibits stay clean and cannot slip out. Clear half-pocket on inside front and rear cover can hold exhibits, papers, notes, etc.

A lightweight, slim, and inexpensive presentation folio which is also ideal for photos, stamps, & coins:

#180 — "EXHIBIT COVER" REPORTFOLIO

84¢
ea.

This new, one piece, REPORTFOLIO features a clear pocket-front formed of two sheets of .008 crystal clear vinyl, entry at the inside binding edge. The back cover is opaque .018 firm virgin vinyl with a 4 inch wide clear vertical pocket.

Catalog, Proposal, or Report is inserted by slipping the cover page into the front clear pocket and the back cover page into the back pocket. The clear, window pocket front fully protects and allows content cover to become cover of REPORTFOLIO.
